

Axe Hamilton's Vacant Unit Tax

Help us put a **STOP to Hamilton's proposed Vacant Unit Tax!**

The HDA A has been actively working on stopping the Vacant Unit Tax from proceeding but we need your help!

Attached below you will find a letter the HDA A has sent to Mayor Horwath and all City Councillors expressing our concerns with the Vacant Unit Tax. Please reach out to your local councillor, either attaching this letter, or

expressing your concerns on the Vacant Unit Tax.

The Vacant Unit Tax has had disastrous consequences in other jurisdictions such as Toronto: <https://nationalpost.com/opinion/axe-torontos-vacant-home-tax>

All residents in Hamilton should have a say on what legislation comes into effect and we have the power to stop wasteful legislation from proceeding!
